Salary Range: \$27.34/hr - \$36.17/hr plus benefits.

The City of Long Lake has an opening for a full time, non-exempt, non-union Public Works Maintenance Worker I or II. Working under the direction of the Public Works Director, this position performs a variety of construction, operational and maintenance activities in the completion of assigned departmental services and operations, which includes drinking water production/distribution systems, sanitary sewer collection systems, stormwater collection systems, parks, city facilities, streets, fleet, and other manual Public Works labor responsibilities.

Minimum Job Requirements (Maintenance Worker I): Must possess a valid Class B Minnesota Driver’s License with air brakes. Must be able to operate heavy equipment such as a pick-up, backhoe, skid loader, dump truck, etc. Must have the ability to meet the minimum job requirements for Maintenance Worker II (below) within 18 months.

Minimum Job Requirements (Maintenance Worker II): Most possess both a class “D” drinking water treatment license issued by the Minnesota Department of Health, and a “SD” sanitary sewer collections license issued by the Minnesota Pollution Control Agency.

Send resume, cover letter, and completed City Employment Application to City of Long Lake, Attn: PW Director, PO Box 606, Long Lake, MN 55356 or email sdiercks [at] longlakemn.gov. Deadline to submit applications will be 4:00 pm on Wednesday, February 7.
